Pregnancy Questionnaire available in Spanish and Hmong

At the request of several prenatal care coordination providers and to ensure consistent interpretation, the Wisconsin Medicaid program has translated the English version of the Pregnancy Questionnaire (form number HCF 1105) into Spanish (form number HCF 1105S) and Hmong (form number HCF 1105H). Wisconsin Medicaid requires that providers continue to complete and score the two-part *English version* of the form and to retain a copy in the recipient's records. The Spanish and Hmong versions are available to provide translation assistance only. The layout is the same as the English version, except it is a one-part form and does not include the scores.

Refer to Attachment 1 of this *Update* for the Spanish version of the questionnaire.

Attachment 2 contains the Hmong version. Providers may request additional copies by writing to:

Division of Health Care Financing
Bureau of Fee-for-Service Health Care
Benefits
Attn: Forms Manager
P.O. Box 309
Madison, WI 53701-0309

In your request, please include your return address, number of copies needed, and the form number HCF 1105S for Spanish or HCF 1105H for Hmong.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.

For questions, call Provider Services at (800) 947-9627 or (608) 221-9883 or visit our Web site at www.dhfs.state.wi.us/medicaid/.
